

**CONSIDER THE VISION.**

**DANIEL 9: 23**

## **WELCOME TO VISION4KIDS**

**Vision4Kids is a Christian charity based in the UK with a vision to help children and young people around the world. Our aim is to share the good news of the gospel of Jesus Christ and to see lives transformed. We also hope to improve the qualities of people's lives by helping those who are disadvantaged, in need or facing poverty.**

**Jesus said:**

**“Suffer the little children and forbid them not to come unto me for of such is the kingdom of heaven.”**

**Matthew 19 v 14**

## INTRODUCING THE WORK IN KENYA

Samson Kangethe is a missionary for Vision4Kids and works in his home village of Kiambururu about one hour north of Nairobi. Samson was formerly a deacon at Calvary Baptist Church in Feltham, London and now serves as an elder in his local church in Kiambururu. Samson is responsible for Vision4Kids' operations on the ground which meet a wide range of spiritual and temporal needs.

Last month fifty children received individual health screenings by a leading doctor who was able to diagnose and treat a range of illnesses and ailments ranging from worm infestation and fungal skin infection to diabetic neuropathy and visual impairment. For these children, this was the first time they had ever encountered medical treatment or even been examined by a doctor. Many lives were changed by accessing basic medicines and facilities which are taken for granted in many parts of the world. Only two weeks ago, Njenga, a young boy from the village, was able to walk again through an operation which was facilitated and paid for by Vision4Kids.

The Sunday school work and children's meetings in the village is a great success with hundreds of young lives hearing the gospel and with a number of individuals coming to faith in Christ and continuing in discipleship classes. The annual football competition and gospel address enables the Word of God to be shared with every child and adolescent in the surrounding area.

Samson Kangethe also has weekly opportunities to visit the schools and to speak in assemblies. Through the work of Vision4Kids and the links built up with the local schools, a food programme has been established which provides hot meals for the fifty poorest children in the village, many of whom have been orphaned. Samson also runs the child sponsorship programme which gives children in extreme poverty access to education, school uniform and food for their family.

Did you know that it only costs £28 to provide a child in Kenya with a hot meal every day for a year?

It costs £15 to provide a child with a full school uniform (including shoes).

A Bible in a child's own language costs as little as £2.50

### **Bibles 4 Kids in 2015**

Starting in Kiambururu, Kenya and then going far beyond, we have a vision of distributing 10,000 Bibles to children in their own language. So far we have raised over £1600.

You can donate by clicking on the link below:
