CHRISTMAS CATALOGUE

**GIVE A CHILD THE GIFT OF
EDUCATION THIS CHRISTMAS**

vision4kids.org

Vision4kids are raising funds to build a Christian school in the village of Kiambururu in central Kenya. Our aim is to glorify God through the provision of first-class education and the teaching of the gospel.

This Christmas, instead of buying someone a gift, you can purchase something towards the construction of a new school. You will then receive a beautiful card explaining what you have bought, which can then be given to your friend, colleague or loved one instead of the gift.

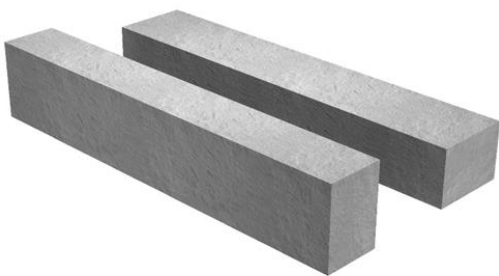

To find out more about the forthcoming school and to see the plot of land that has been bought, visit www.vision4kids.org
